### **Boenning & Scattergood Announces Addition of Real Estate Veteran Floris van Dijkum and Begins Coverage of Real Estate Investment Trust (REIT) sector**

**West Conshohocken, PA, December 3, 2015** - Boenning & Scattergood, Inc., a leading independent securities, asset management and investment banking firm having recently celebrated its 100-year anniversary, announced that Floris van Dijkum has joined the equity research team as a managing director covering the Real Estate Investment Trust (REIT) sector. His addition raises the Firm's profile as a niche provider of sell-side equity research to individual, institutional and corporate clients and leverages ongoing relationships throughout the equity capital markets team.

Mr. van Dijkum joined Boenning & Scattergood, Inc. in September 2015 and covers the REIT sector. He has significant real estate investment experience, having started the BlackRock Global Real Estate securities business with investment responsibility for the retail sector. He also helped to grow the German and Asian real estate investment management business at Speymill, a UK investment management firm, to over \$2 billion. Mr. van Dijkum was a senior real estate banker at NIBC in the Netherlands and Lehman Brothers in London. Prior to becoming a banker, he led European real estate equity research at Morgan Stanley from 1996 to 2000 where he was a ranked analyst by Institutional Investor and Reuters. From 1994 to 1996, Mr. van Dijkum worked as a REIT research analyst on an Institutional Investor ranked coverage team at Salomon Brothers. Mr. van Dijkum earned his BA from University of Virginia.

"We are excited to have Floris join the firm as we expand our research coverage in a vertical where we see growth and opportunity," commented Matt Schultheis, Director of Research. "His coverage of the REIT space is consistent with the investment goals and objectives of a large portion of our client base which is income generation and capital appreciation."

Mr. van Dijkum earned his BA from University of Virginia.
